ACKNOWLEDGEMENT OF POST-APPROVAL REQUIREMENTS

Even if a project is found to meet WCEDP program eligibility requirements and funds are approved for a competitive grant, a loan, or incentives, the project and recipient will be required to sign an agreement with the state prior to release of funding. Applicants are advised that they are responsible to ensure that the potential recipient organization can comply with all terms and conditions of the agreement, including any public policy requirements. Those requirements may include state or federal statutory requirements and may also include additional requirements imposed by the state for the particular award. To ensure compliance, the grantee may need to establish and maintain internal policies and/or properly train staff.

Standard state grant provisions below will be included in any grant, loan, or incentive agreement resulting from the award of funds under the WCEDP. Potential applicants to the WCEDP should be aware of these requirements *before* applying. You do not want to go all the way through the LOI and application process only to find that your organization or project cannot meet these requirements. In a few cases (i.e. insurance coverage), it may be possible to be out of compliance at the time of *application or approval*, but any agreement will contain the requirements and the organization must be in compliance prior to release of funds or closing on a loan.

Please review the requirements [here](#), sign the acknowledgement below, and include the signed document with your grant Pre-Application or loan Letter of Intent to Apply.

ACKNOWLEDGEMENT OF UNDERSTANDING AND AGREEMENT

I hereby acknowledge that I have read and understand all of the "[Attachment C: Standard State Provisions for Contracts, Grants, and Loans](#)" and that I have had the opportunity to consult with legal counsel. I also hereby state that if I or my organization is awarded a grant, incentive, or loan by the Windham County Economic Development program, I understand my organization must agree to and abide by **all of** the same in order to execute a grant or loan agreement under that program.
