

Disaster Recovery Grants as of February 2019						
CDBG-DR1						
Municipality	Grant Identifier	Award Date	CDBG-DR Award Amount	Other Resources Total	Project Title	Project Description
Arnett Muldrow and Associates	DR-PG-2012-ArnettMuldrow-00017	03/11/2013	\$503,340.00	\$0	Arnett & Muldrow ED Downtown Recovery	State Direct Downtown Economic Recovery Planning Grant to assist seven communities revitalize due to the Vermont Floods in 2011. The communities are Waterbury, Waitsfield, Warren, Barre, Brandon, Brattleboro, and Wilmington.
BDCC and SRDC	DR-IG-2012-BDCCSRDC-00012	12/12/2012	\$1,395,109.00	\$150,000	SE-VT Economic Dev't Disaster Relief	BDCC and SRDC propose to use a 1,500,000 CDBG-DR grant to assist qualifying businesses throughout their 37-town service areas impacted by Tropical Storm Irene. BDCC/SRDC will subgrant, and where feasible, loan, CDBG-DR funds to qualifying businesses. Determinations of eligibility will be made by a 5-member Selection Committee, which will fully evaluate each individual businesses needs.
Brattleboro Housing Authority	DR-PG-2012-BHA-00012	11/08/2012	\$100,000.00	\$68,000	BHA Irene Housing Re-development	Grant to Brattleboro Housing Authority to conduct a comprehensive analysis of all structural, environmental and regulatory issues which will impact the potential re-use of the Melrose Place property; complete a comprehensive feasibility and re-construction plan for Moore Court.
Capstone Community Action	DR-IG-2012-CVCAC-00016	11/08/2012	\$1,275,000.00	\$40,000	CVCAC DR Applicaton	Grant to Central Vermont Community Action Council, Inc. (CVCAC) as Lead in concert with Central Vermont Economic Development Corporation (CVEDC) and Green Mountain Economic Development Corporation (GMEDC) to provide business assistance and grant funding to meet businesses' unmet needs related to the three 2011 disaster events. The primary focus (80) of the project will be businesses located in Washington and Windsor counties with the remainder located in other hard-hit areas of other Vermont counties.
Central Vermont Regional Planning Commission	DR-PG-2012-CVRPC-00016	06/13/2013	\$61,759.00	\$25,500	Transportation Flood Resiliency Study	Grant to conduct a flood study of the Mad River and Winooski River to obtain detailed elevation data and also identify key vulnerable transportation infrastructure and treatment options for the vulnerable sites. The study will lead to an understanding and actions to mitigate future risks to public safety and infrastructure.
Central Vermont Regional Planning Commission	DR-PG-2012-CVRPC-00018	06/13/2013	\$62,250.00	\$6,250	Flood Study of the Mad and Winooski	Grant to conduct a flood study of the Mad River and Winooski River to analyze elevation data for hydrologic analysis and develop flood inundation data and also identify vulnerable infrastructure with corresponding treatment options.
City of Barre	DR-IG-2012-Barre City-00049	07/10/2014	\$1,232,929.00	\$1,848,560	Downtown Barre Resiliency Program	Grant to assist the City in redeveloping a 1.2 acre area in the center of the City's downtown. The work entails the environmental clean-up of the former Howe Dry Cleaners site at 9 Depot Square, up-sizing the capacity of the storm drainage system and altering elevations to direct storm water away from buildings to reduce flooding events. The project also includes the creation of approximately 85 parking spaces, and the installation of new curbing, sidewalks, crosswalks, lighting and signage along with the integration of a section of the Barre City Bike Path.
Gilman Housing Trust	DR-IG-2012-GHT-00017	11/08/2012	\$718,528.84	\$0	VCDP Disaster Recovery Housing Rehab	Grant to Gilman Housing Trust (GHT) as lead for the five Home Ownership Centers around the state to provide assistance for rehabilitation work, down payment assistance, and financial counseling for homeowners impacted by the flood. The major focus will be for Washington, Windsor and Windham Counties.
Hunger Mountain Childrens Center	DR-IG-2012-HMCC-00023	04/05/2013	\$1,416,008.00	\$380,662	HMCC Relocation and Renovation	Grant to Hunger Mountain Children's Center to assist in acquisition and renovation of their former leased space in the building at 123 South Main as well as the adjacent property at 121 South Main and the garage to resume operations serving up to 60 children per day (an increase of 15 children) as a state-licensed child care and preschool. A major new construction element is a connector linking the two buildings, and renovations do include flood mitigation measures.
South Royalton School-OWSU	DR-PG-2014-South Royalton School-00007	02/11/2016	\$34,793.00	\$6,290	SoRo Flood-Free Plan	Grant to the South Royalton School to hire consultants that will conduct the planning required to develop flood mitigation and flood proofing at the South Royalton K-12 School.
Town of Barnard	DR-IG-2012-Barnard-00075	06/11/2015	\$271,242.00	\$12,639	Mount Hunger Road Bank Stabilization	Grant to stabilize river bank on Chateaugay Road and Mount Hunger Road due to failure exacerbated by Tropical Storm Irene and subsequent rain events that is endangering two town highways, a town garage, recycling center, state bridge and state route.
Town of Cabot	DR-IG-2012-Cabot Town-00063	09/11/2014	\$662,996.00	\$558,413	Town Garage Removal and Reconstruction	Grant to demolish the existing Town Garage and restore the site due to it being located in the flood plain and also construct a new Town Garage Facility to include a 100 by 70 foot garage with a 20 by 60 foot cold storage wing and a separate salt shed.
Town of Chester	DR-IG-2012-Chester-00062	12/11/2014	\$81,512.00	\$119,000	Cavendish Road Culvert	Grant to construct a 16' span x 7'-1" rise x 66' length 10 gauge steel multi-plate arch culvert to replace an undersized culvert that was damaged by Tropical Storm Irene.
Town of Johnson	DR-IG-2012-Johnson-00009	11/08/2012	\$454,185.00	\$851,670	Equipment for Grocery Store in Johnson	Loan to Johnson Market, LLC to assist in starting up a grocery store with the VCDP funds primarily dedicated to purchasing equipment and fixtures. The store is located at 131 Lower Main West in downtown Johnson in the former Grand Union supermarket, which closed in May of 2011 due to flooding.

Municipality	Grant Identifier	Award Date	CDBG-DR Award Amount	Other Resources Total	Project Title	Project Description
Town of Ludlow	DR-PG-2012-Ludlow-00033	04/09/2015	\$26,100.00	\$2,900	Ludlow Economic Resiliency Plan	Grant to Town for preliminary planning measures to improve economic viability and resiliency for two projects. First project is preliminary engineering and design to expand the infrastructure at the existing Industrial Park in order to allow access to a currently undeveloped 20 acre section of the park. Second project is planning effort to seek and to identify opportunities to improve the economic climate and ensure the long-term resiliency of Ludlow Village, with a focus on the Ludlow Village Center.
Town of Moretown	DR-IG-2012-Moretown-00026	08/08/2013	\$734,788.00	\$176,544	Moretown Town Office Relocation	Grant to build a new 2,184 square foot, fully handicapped accessible and highly energy efficient town office building 1 foot above the 500 year floodplain on existing town owned land. The building will be a one story wood framed structure designed to fit visually into the existing nature and character of the village. The new building will house the vital records vault, offices for the Town Clerk and Treasurer, Selectboard assistant, Zoning administrator, listers and meeting rooms.
Town of Northfield	DR-PG-2012-Northfield-00019	02/12/2014	\$15,000.00	\$1,503	Northfield Planning Project	Grant to hire an architectural firm to 1) develop the plans necessary to build a new Emergency Medical Service (EMS) facility out of the flood plain either as an addition or stand alone facility adjacent to the current fire station and 2) provide plans to create office space and meeting rooms in the fire station.
Town of Plainfield	DR-PG-2012-Plainfield-00025	05/08/2014	\$29,700.00	\$3,300	Plainfield Village Bridge Analysis	Grant to conduct hydrology and hydraulics studies and develop ways to prevent future flooding at the Mill Street bridge and the Brook Road bridge in the lower village of the Town.
Town of Roxbury	DR-IG-2012-Roxbury-00072	04/09/2015	\$135,325.00	\$21,454	Cram and Thurston Culvert Upgrades	Grant to Town to replace the Cram Hill Road and Thurston Hill Road culverts, which were severely damaged during Tropical Storm Irene. Both culverts have a history of washing out causing major road damage and the project will increase the size of both culverts to reduce the flood damage.
Town of Royalton	DR-IG-2012-Royalton-00057	09/12/2014	\$657,591.00	\$78,238	Gilman Road Project	The Gilman Road Project involves constructing a 1,000 foot segment of the road located immediately south of the existing road. The existing road segment will be abandoned. As part of this project a low height rip rap is to be placed at the base of the embankment of the White River for protection against further erosion.
Town of Waitsfield	DR-IG-2012-Waitsfield-00024	05/10/2013	\$893,543.00	\$688,294	Waitsfield Town Office Relocation	Grant to Waitsfield to relocate its town offices by constructing a new 5,142 square foot fully handicapped accessible and energy efficient building located at 4144 Main Street (property referred to as the Farm Stand) due to the current town offices being flooded twice previously.
Town of Waitsfield	DR-PG-2014-Waitsfield-00001	09/21/2015	\$26,810.00	\$5,900	Joslin Memorial Library	Sub-grant to the Joslin Memorial Library to hire consultant(s) to determine how to 1) make the entire building fully compliant with American Disabilities Act (ADA), 2) convert the lower level into library program space and 3) improve flood resiliency of the building.
Town of Warren	DR-IG-2012-Warren-00066	12/11/2014	\$270,883.00	\$30,938	Warren Village Main Street Improvement	Grant to implement the Warren Village Main Street Improvement Project to design and construct pedestrian improvements and landscape and gateway enhancements to improve safety, accessibility and comfort to walkers, bicyclists, and other multi-modal users in the Village.
Town of Waterbury	DR-IG-2012-Waterbury-00019	05/10/2013	\$1,000,000.00	\$4,078,872	Waterbury Municipal Civic Complex	Grant to Waterbury to redevelop the historic Dr. Janes House and property into a new Municipal Complex for the municipal offices of the Town and Village, public library and historical society due to the loss of their former location from Tropical Storm Irene.
Town of Waterbury	DR-PG-2012-Waterbury-00006	12/12/2012	\$30,000.00	\$3,000	Little River-Village Connector Trail	Grant to study the feasibility of developing a multi-use recreation trail suitable for mountain bikes and hiking from Little River State Park to Waterbury Village.
Town of Waterbury	DR-PG-2012-Waterbury-00013	11/08/2012	\$100,000.00	\$48,052	Planning Phase:Municipal Civic Complex	Grant to Town to plan for the development of a new municipal civic complex. The project will be carried out in two phases. Phase I includes preliminary drawings to assist the municipality in understanding the layout of two buildings at the State Complex that are being considered as well as conducting a review of other potential locations and suitable sites in Waterbury Village. Phase II work will include the preparation of a scope of work, permit review, budget preparations, building schematics, site planning and cost estimates.
Town of Waterbury	DR-PG-2014-Waterbury-00005	11/05/2015	\$38,663.00	\$6,000	Waterbury Home Elevation Planning	Grant to Town to assist with its home elevation pilot project to elevate historic homes on Randall, Elm and Union Streets. Seven of the homes are located in the historic district, one is located on Healy Court which is not a historic district but the home is historic.
Town of Wilmington	DR-IG-2012-Wilmington-00029	09/12/2013	\$146,539.00	\$15,754	Wilmington Records Digitization	The project will result in the digitization of approximately 200,000 pages of essential historical Town records. The final work product will be a searchable digital documentation library that will consist of all essential Town Clerk records
Town of Wilmington	DR-IG-2012-Wilmington-00071	02/12/2015	\$287,122.00	\$68,000	Wilmington Streetscape Improvement	Construct a new accessible sidewalk approximately 520 feet in length that will be located between 27 West Main St. to 37 West Main St. in downtown Wilmington which was severely flooded by Tropical Storm Irene.
Town of Wilmington	DR-PG-2012-Wilmington-00010	05/10/2013	\$28,803.00	\$6,818	Wilmington Fire and Police Relocation	Conduct a feasibility analysis to identify and consider up to six sites for the potential co-relocation of the Police and Fire departments, both of which were damaged by flooding from Tropical Storm Irene. All sites will be either within the designated Village District or as close as possible, and will be outside of the flood plain.

Municipality	Grant Identifier	Award Date	CDBG-DR Award Amount	Other Resources Total	Project Title	Project Description
Town of Windsor	DR-IG-2012-Windsor-00052	09/12/2014	\$1,166,814.22	\$1,788,185	Windsor Dam Safety Repairs	Grant to complete structural repairs to the historic Windsor Upper Mill Pond Dam, which sustained damaged during Tropical Storm Irene. The storm caused additional erosion, cracking and weakened the structural integrity of the laid stone from the buttress shell.
Two Rivers-Ottauquechee Regional Commission	DR-IG-2012-TRORC-00008	07/01/2012	\$6,142,530.94	\$2,000,000	Flood-Damaged Property Buyouts	Grant to Two Rivers-Ottauquechee Regional Commission for the 25 match for the Hazard Mitigation Grant Program (HMPG) for residential and commercial buyouts and potentially 100 funding for FEMA ineligible properties, along with funds necessary to clear properties and land restoration, and funding for associated project delivery costs.
Two Rivers-Ottauquechee Regional Commission	DR-PG-2012-TRORC-00032	06/12/2014	\$99,900.00	\$32,675	TRORC Culvert Resiliency Inventory	TRORC will work with towns impacted by Tropical Storm Irene with updating of culvert inventories. The towns will include Barnard, Bethel, Bridgewater, Granville, Hartford, Hartland, Pittsfield, Royalton, Stockbridge, Tunbridge, and Woodstock.
Village of Waterbury	DR-IG-2012-Waterbury Village-00020	12/12/2012	\$115,000.00	\$38,339	Flood Proof Main W-Water Pump Station	The Village of Waterbury is requesting 115,000 in VCDP funds to replace worn gaskets and loose closing mechanisms on the three (3) flood doors; seal abandoned piping penetrations through exterior walls that leaked during Irene; and replace two existing sewage pumps that are not designed to be submerged in water; which Irene filled the motors, pump bearings, and seals with water.
Village of Woodstock	DR-IG-2012-Woodstock Village-00059	09/12/2014	\$179,870.00	\$42,230	Woodstock Village Snow Dump	The project will construct a new snow dump on a 2.1 acre site. The design will mimic a typical retention stormwater treatment system, with a retention pond to allow meltwater to infiltrate the underlying soil before entering the groundwater aquifer.
Westgate Housing, Inc.	DR-IG-2014-Westgate Housing-00003	02/12/2015	\$129,966.00	\$41,732	Westgate Housing	The project will prevent water intrusion in thirty units of affordable housing by sealing foundation walls, basement slabs as well as install sump pumps in selected basements of the West Gate Housing complex.
WSSU Wilmington School District	DR-PG-2012-WSB-00004	08/08/2013	\$52,600.00	\$5,839	Emergency Center/Urgent Needs	Grant to hire a consultant(s) to conduct a feasibility study for transforming a soon-to-be vacated high school (Twin Valley HS, which will be consolidated with another HS in 2014) into a multi-purpose community building to spur economic development opportunities, with potential tenants identified who were directly affected by the flooding caused by Tropical Storm Irene (Town Clerk's Office and Southwestern Vermont Health Care).
Total CDBG-DR1			\$20,577,200.00	\$13,251,551		

Disaster Recovery Grants as of February 2019

CDBG-DR2						
Municipality	Grant Identifier	Award Date	Award Amount	Other Resources Total	Project Title	Project Description
BDCC and SRDC	DR-IG-2012-BDCCSRDC-00060	01/01/2014	\$1,184,795.98	\$150,000	SE-VT Economic Dev't Disaster Relief	CDBG-DR2 State direct grant to Brattleboro Development Credit Corporation who is working in conjunction with Springfield Regional Development Corporation to assist businesses with disaster recovery unmet needs from Windsor and Windham counties.
Capstone Community Action	DR-IG-2012-CVCAC-00065	01/01/2014	\$1,545,000.00	\$0	CDBG-DR #2 for Central Vermont	Central Vermont Community Action Council, Inc. (CVCAC) in partnership with Central Vermont Economic Development Corporation (CVEDC) and Green Mountain Economic Development Corporation (GMEDC) is applying for 1.5 million in CDBG-DR2 funding to provide business assistance and grant funding to meet businesses' unmet needs related to the 2011 disaster events and one event in 2012. The primary focus (80%) of the project will be businesses located in Washington and Windsor counties with the remainder located in other hard-hit areas of other Vermont counties.
City of Montpelier	DR-IG-2014-Montpelier City-00013	02/11/2016	\$850,000.00	\$1,406,683	1 Taylor St. Retaining Wall	Grant to City to stabilize and rebuild the One Taylor Street Block Retaining Wall that protects the site at 1 Taylor Street from further encroachment of the Winooski River while maintaining its historic character. The project will also remove and dispose of contaminated soils in accordance with the Corrective Action Plan.
Downstreet Housing and Community Development	DR-IG-2012-CVCLT-00011	01/31/2013	\$1,000,000.00	\$5,744,225	Ladd Hall Housing Project	Loan to Ladd Hall Limited Partnership, formed by Housing Vermont and Central Vermont Community Land Trust, to rehabilitate and construct an addition to the historic Ladd Hall office building transforming it into 27 housing units- 25 affordable units and 2 market rate units. The property will have fourteen 1-bedroom units, eleven 2-bedroom units, and two 3-bedroom units.
Red Clover Commons Limited Partnership	DR-IG-2014-RedClover-00005		\$5,698,777.00	\$10,459,197	Red Clover Commons	Red Clover Commons consists of the new construction of 55 senior and non-elderly disabled independent living rental apartments in one energy-efficient building. The building will be a 3-story, wood framed building totaling approximately 55,000 square feet and fully sprinklered; the building will have two elevators. The site work will involve the construction of a new interior roadway, surface and structural parking and sidewalks on the site and connecting to the existing municipal sidewalks. The building will connect to the municipal water and sewer services. All new LED street lighting and landscaping will be developed. The address is 30 Fairground Road, Brattleboro (formerly 464 Canal Street)

Municipality	Grant Identifier	Award Date	CDBG-DR Award Amount	Other Resources Total	Project Title	Project Description
Town of Athens	DR-IG-2012-Athens-00064	02/12/2015	\$254,215.00	\$33,890	Athens Culvert Upgrade	replace three (3) undersize culverts that were damaged by Tropical Storm Irene, with structures as required by VTrans under current standards and based on a hydraulic analysis of each respective watershed. One culvert is located on Brookline Road (at the intersection of Brookline Road/Ober Hill Rd.) and the other two are located on Walker Rd.
Town of Brandon	DR-IG-2012-Brandon-00068	12/11/2014	\$500,000.00	\$324,839	Town of Brandon-Town Office	Grant to the Town of Brandon to rehabilitate the existing Town Office building. The work will include building demolition on all floors necessary to install a lift, carpentry, door and window replacement and restoration, mechanical and electrical work, accessibility modifications, and finishing work.
Town of Cambridge	DR-IG-2014-Cambridge-00011	11/05/2015	\$329,192.00	\$1,245,095	Cambridge Flood Resiliency Project	Grant to assist the Town as well as the Village of Jeffersonville to implement two important flood mitigation measures- replacing the Cambridge Greenway/Railroad Bridge with an adequately sized bridge and also enlarging two culverts under Route 15. These measures should prevent flooding of the senior and affordable housing at Mann's Meadow as well as along much of Depot Street, Main Street, and Church Street.
Town of Hancock	DR-IG-2014-Hancock-00009	02/11/2016	\$462,788.00	\$39,805	Churchville Culvert Replacement	Grant to assist in replacing an existing multi-plate culvert pipe with a larger bridge structure capable of passing a 100-year storm event at the lowest Howe Brook crossing of Churchville Road.
Town of Northfield	DR-IG-2012-Northfield-00073	09/21/2015	\$271,905.00	\$300,879	Water Street River Park	Grant to Town to restore natural floodplain function to the Water Street neighborhood properties purchased with Vermont Emergency Management Hazard Mitigation funds. A community park with recreation amenities for the neighborhood will be constructed to reduce the flood risk to the adjacent neighborhood.
Town of Readsboro	DR-IG-2012-Readsboro-00042	09/12/2014	\$319,497.00	\$34,872	Riverbank Stabilization	Streambank stabilization along the west branch of the Deerfield River, resulting in the protection of a residential neighborhood predominantly serving an LMI population.
Town of Rochester	DR-IG-2012-Rochester-00050	05/09/2014	\$187,766.00	\$18,946	Bean's Bridge Road Rehab	The Bean's Bridge Road lowering and rebuilding to allow floodwaters to pass as well as the armoring of the river bank north of the road.
Town of Springfield	DR-IG-2012-Springfield-00051	07/10/2014	\$388,000.00	\$79,100	Meadow Drive Stormwater Improvements	Grant to the town of Springfield to construct a stormwater collection system on Meadow Drive to collect the stormwater in the street and prevent the flow from entering private properties to the west.
Town of Stockbridge	DR-IG-2012-Stockbridge-00074	09/21/2015	\$258,297.00	\$28,679	Taggart Hill Road South Relocation	A grant to the town of Stockbridge to complete the road relocation in order to widen the Taggart Brook stream bed, resulting in larger hydraulic capacity for the stream and a more flood resistant stream bed.
Town of Waitsfield	DR-IG-2012-Waitsfield-00069	04/09/2015	\$96,759.00	\$19,997	Waitsfield Pocket Park	Grant to Town to fund final design and construction of a public pocket park within the Bridge Street business district along the Mad River, adjacent to the Waitsfield Covered Bridge, in historic Waitsfield Village. The Park will be built using construction methods and features to minimize damage during future flood events. It will be an attractive riverfront gathering space for pedestrians that enables safe enjoyment of the unique covered bridge and river vista within easy walking distance from the downtown core.
Town of Warren	DR-IG-2012-Warren-00035	04/10/2014	\$186,792.00	\$20,637	Plunkton Road Culvert	Grant to assist in replacing the hydraulically inadequate Plunkton Road culvert to prevent future flooding events from cutting off residents on both sides of the culvert.
Town of West Windsor	DR-IG-2012-West Windsor-00034	03/12/2014	\$891,547.00	\$1,587,323	Brownsville Sewer Construction	Grant to the town of West Windsor to construct a municipal sewer system in the Village of Brownsville, which will connect 33 equivalent units (5 residential users, 4 commercial users and 14 municipal/institutional users) and result in the elimination of private on-site septic systems located in the Mill Brook floodplain that were damaged by Tropical Storm Irene
Town of Whitingham	DR-IG-2012-Whitingham-00045	07/10/2014	\$12,207.00	\$3,300	Whitingham Bridge #47 Deck Replacement	Grant to the town of Whitingham to complete the removal and replacement of the bridge deck and guardrails on Bridge #47 which spans the East Branch of the North River in the Village of Jacksonville.
Two Rivers-Ottawaquechee Regional Commission	DR-IG-2012-TRORC-00036	01/01/2014	\$2,300,000.00	\$0	Flood-Damaged Property Buyouts CDBG II	This project will continue to fund flood-damaged property buyouts in Vermont. The goal is to maximize participation in the FEMA HMGP buyouts by providing the 25 match on as many properties as possible. In addition this project would fund buyouts that were denied under the HMGP program but are nevertheless desirable projects that would remove properties from flood danger and improve floodplain function.
Waitsfield United Church of Christ	DR-IG-2014-WUCC-00012	02/11/2016	\$297,861.00	\$463,634	Renovation of Village Meeting House	Grant to assist the Waitsfield Village Meeting House owned by the United Church of Christ to flood proof the building and construct life safety and ADA/accessibility improvements. The project will include stabilizing and flood proofing of the basement and moving all mechanical and electrical system components out of the basement and to locations more than 2 feet above the 100 year flood
Total CDBG-DR2			\$17,035,398.98	\$21,961,101
