

I wear a mask... to keep my family safe.

It's a fact: Vermonters help Vermonters. As the COVID-19 pandemic continues, it's never been more important for us all to take steps to slow its spread, especially for Vermonters at higher risk of serious illness. That means wearing a face mask or covering when you can't always stay six feet away from people you don't live with. Simple steps like these keep our state a safe place to live, work and play.

What are your reasons?
