GET READY

Before you begin, you will need the following documents or information to complete your application.

a) Your Federal Employer Identification Number (FEIN)
b) Your Vermont Employer ID Number if you have one (used for Vermont Department of Labor filings). Providing this 7-digit number is not required but helps populate some of the application required fields. You can add your company if you don’t have an ID Number.
c) Tax information from your W9 form.
d) The appropriate NAICS code for your company or organization.
e) The amount of previous compensation you have received to cover business interruptions due to COVID-19, if you have received any.
f) Your Income Statements for 2020 and 2019 by month (in PDF format)
g) Federal and State Tax Returns for 2019, or the most recent year filed (in PDF format). Nonprofit organizations do not need to supply state tax returns but will need to provide their Federal Form 990 or Form 990-EZ.

If you have questions about filling out the application, you can get assistance by using the live chat at the bottom of the Economic Recovery Grants web page.
STEP 1: DECIDE WHICH GRANT TO APPLY FOR, REGISTER YOUR BUSINESS, AND REGISTER AS AN APPLICANT

Register your Business
To access the application, you must register your business. First indicate whether your business collects Rooms & Meals Tax or Sales & Use Tax.

It is important to enter in ALL required information CORRECTLY upon applying. Any improperly submitted applications will be categorized as incomplete. If edits are required (email address, incomplete documents, incorrect business ID information) you will receive an email with instructions for you to make those required edits, and you will need to resubmit your application.
If you do collect Rooms & Meals Tax or Sales & Use Tax, please indicate how much tax you report annually.

If you have more than $500,000 annual sales in Rooms & Meals and/or Sales & Use Tax filings you should apply for assistance through the Vermont Department of Taxes. If you have less than $500,000, you should continue to apply through ACCD.

Selecting Your Grant Program

If Applicant has reported less than $500,000 in annual sales on their Sales and Use or Rooms and Meals tax filings, they may receive a larger grant by applying to the ACCD program. Grants from the Tax program are primarily focused on the retail and hospitality sectors and only use sales from these sectors in calculating the grant amount. ACCD’s program includes revenue from all sources and therefore may offer a larger award. Grants in both programs are made on a first-come, first-served basis. Applicants may only receive an award from one of these programs.
